White, C., Warrener, M., Reeves, A. & La Valle, I. 2008, *Family Intervention Projects: An Evaluation of their Design, Set-up and Early Outcomes*, National Centre for Social Research

Background

This is a very brief suggested reading list for the 'troubled families' agenda and the Troubled Families Programme more specifically. It is not an exhaustive list and it is intended to act as a starting point for people interested in the concept of 'troubled families'. I would be very happy to receive recommendations or suggestions and apologies if I've missed off one of your papers....
